

## OUTDOOR FURNITURE OIL    fetching good looks

A Superb exterior oil for outdoor furniture, barbeque trolleys, wooden spa baths et al.

A rich oil impregnation with high resilience and ease of application. Garden Furniture Oil penetrates deeply into the grain, protecting timber from within.

The blend of tree resin and plant oils ensures a robust finish while the refined beeswax gives a

silken depth to the surface.

Garden Furniture Oil has the added protection of zinc to help prolong exposure to the sun's UV rays while eucalyptus and pine oils protect against mould and mildew.

Made in NZ with passion.

**Completed sq/mtr cost \$5.00**  
**Product samples available**

**Use:** For protecting outdoor furniture, barbeque trolleys and all exterior joinery.

Easy to apply 2 -3 coat system, no primer required, pleasant citrus fragrance during application and curing. Safe for man, animal and plant when dry.

**Preparation:** The surface must be dry, clean and free of grease. Special care should be taken to remove any dust from the pores of the timber.

**New Surfaces:** Sanding must be even. The final sand should be fine using a 120 grade paper. Renovated surfaces: Old, well preserved oil coatings should be thoroughly cleaned and given a light sand. Apply 1 to 2 coats of oil.

**Application:** Apply the oil evenly, using a quality paint brush. Remove any excess oil which has not penetrated after 15 minutes (visible as shiny areas), using a clean, absorbent cloth. Let dry for 12 hours between coats.

**Cleanup:**

Clean brushes/rollers in white spirit, followed by warm soapy water.

**Safety Instructions:**

Keep out of reach of children. Do not pour oil residue into the sewer. Let the remnants dry out and dispose of with your domestic rubbish collection.

'FLAMMABLE PRODUCT'.

Do not crumple oil soaked rags (otherwise spontaneous combustion may occur).

**Composition:**

Tung oil, wood rosin, carnauba wax, eucalyptus oil, pharmaceutically refined pure isoparaffin, cobalt zirconium, lead free drier.
